

OTR600	SCR Performance Module Evo 11-13 D11 D13 D16 MP7 MP8 MP90 VM600	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Volvo Mack	All Models	2011-2013	Volvo VED11 EPA10 Volvo VED13 EPA10 Volvo VED16 EPA10 Mack MP7 EPA10 Mack MP8 EPA10 Mack MP10 EPA10	Off Road Diesel Farm Truck Diesel On-Road Diesel	The SCR Performance Module eliminates the need to replace the DOC / DPF / SCR filter. When the DPF / SCR system fails, the OBD system triggers a fault code and limits the power of the truck, depending on the soot level of the truck. This product operates by simulating a working DPF / SCR system, thereby eliminating any fault codes that the OBD system produces. If the truck requests a DPF regen, the module simulates a regen.
OTR601	SCR Performance Module Evo 11-13 DD EPA10 DD601	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Freightliner Western Star	All Models	2011-2013	Detroit Diesel DD13 EPA10 Detroit Diesel DD15 EPA10	Off Road Diesel Farm Truck Diesel On-Road Diesel	The SCR Performance Module eliminates the need to replace the DOC / DPF / SCR filter. When the DPF / SCR system fails, the OBD system triggers a fault code and limits the power of the truck, depending on the soot level of the truck. This product operates by simulating a working DPF / SCR system, thereby eliminating any fault codes that the OBD system produces.
OTR602	SCR Performance Module Evo 11-13 MX13 PC602	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Kenworth Peterbilt	All Models	2011-2013	Paccar MX13 EPA10	Off Road Diesel Farm Truck Diesel On-Road Diesel	The SCR Performance Module eliminates the need to replace the DOC / DPF / SCR filter. When the DPF / SCR system fails, the OBD system triggers a fault code and limits the power of the truck, depending on the soot level of the truck. This product operates by simulating a working DPF / SCR system, thereby eliminating any fault codes that the OBD system produces.
OTR603	SCR Performance Module Evo 11-13 Hino	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Hino	258, 268	2011-2013	Hino J08E-VC EPA10	Off Road Diesel Farm Truck Diesel On-Road Diesel	The SCR Performance Module eliminates the need to replace the DOC / DPF / SCR filter. When the DPF / SCR system fails, the OBD system triggers a fault code and limits the power of the truck, depending on the soot level of the truck. This product operates by simulating a working DPF / SCR system, thereby eliminating any fault codes that the OBD system produces. If the truck requests a DPF regen, the module simulates a regen.
OTR650	EGR Performance Module Evo 11-13 D11 D13 D16 MP7 MP8 MP90 VM650	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Volvo Mack	All Models	2011-2013	Volvo VED11 EPA10 Volvo VED13 EPA10 Volvo VED16 EPA10 Mack MP7 EPA10 Mack MP8 EPA10 Mack MP10 EPA10	Off Road Diesel Farm Truck Diesel On-Road Diesel	The EGR Performance Module eliminates the need to replace the EGR valve, EGR Mass Air Flow Sensor and EGR Temp sensor. When the EGR system fails, the OBD system triggers a fault code and limits the power of the truck. This product operates by simulating a working EGR system, thereby eliminating any fault codes that the OBD system produces.
OTR700	SCR Performance Module Evo2 14-18 D11 D13 D16 MP7 MP8 MP90 VM700	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Volvo Mack	All Models	2014-2018	Volvo VED11 EPA14 Volvo VED13 EPA14 Volvo VED16 EPA14 Volvo VED11 EPA16 Volvo VED13 EPA16 Mack MP7 EPA14 Mack MP8 EPA14 Mack MP10 EPA14 Mack MP7 EPA16 Mack MP8 EPA16	Off Road Diesel Farm Truck Diesel On-Road Diesel	The SCR Performance Module eliminates the need to replace the DOC / DPF / SCR filter. When the DPF / SCR system fails, the OBD system triggers a fault code and limits the power of the truck, depending on the soot level of the truck. This product operates by simulating a working DPF / SCR system, thereby eliminating any fault codes that the OBD system produces. If the truck requests a DPF regen, the module simulates a regen.
OTR701	SCR Performance Module Evo2 14-16 DD GH614 DD701	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Freightliner Western Star	All Models	2014-2016	Detroit Diesel DD13 EPA14 Detroit Diesel DD15 EPA14	Off Road Diesel Farm Truck Diesel On-Road Diesel	The SCR Performance Module eliminates the need to replace the DOC / DPF / SCR filter. When the DPF / SCR system fails, the OBD system triggers a fault code and limits the power of the truck, depending on the soot level of the truck. This product operates by simulating a working DPF / SCR system, thereby eliminating any fault codes that the OBD system produces.
OTR702	SCR Performance Module Evo 14-18 MX13 PC702	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Kenworth Peterbilt	All Models	2014-2016	Paccar MX13 EPA14	Off Road Diesel Farm Truck Diesel On-Road Diesel	The SCR Performance Module eliminates the need to replace the DOC / DPF / SCR filter. When the DPF / SCR system fails, the OBD system triggers a fault code and limits the power of the truck, depending on the soot level of the truck. This product operates by simulating a working DPF / SCR system, thereby eliminating any fault codes that the OBD system produces.
OTR703	SCR Performance Module Evo 14-16 Hino	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Hino	258, 268	2014-2016	Hino J08E-VC EPA14	Off Road Diesel Farm Truck Diesel On-Road Diesel	The SCR Performance Module eliminates the need to replace the DOC / DPF / SCR filter. When the DPF / SCR system fails, the OBD system triggers a fault code and limits the power of the truck, depending on the soot level of the truck. This product operates by simulating a working DPF / SCR system, thereby eliminating any fault codes that the OBD system produces. If the truck requests a DPF regen, the module simulates a regen.
OTR750	EGR Performance Module Evo2 14-18 D11 D13 D16 MP7 MP8 MP10 VM750	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Volvo Mack	All Models	2014-2018	Volvo VED11 EPA14 Volvo VED13 EPA14 Volvo VED16 EPA14 Volvo VED11 EPA16 Volvo VED13 EPA16 Mack MP7 EPA14 Mack MP8 EPA14 Mack MP10 EPA14 Mack MP7 EPA16 Mack MP8 EPA16	Off Road Diesel Farm Truck Diesel On-Road Diesel	The EGR Performance Module eliminates the need to replace the EGR valve, EGR Mass Air Flow Sensor, and EGR Temp sensor. When the EGR system fails, the OBD system triggers a fault code and limits the power of the truck. This product operates by simulating a working EGR system, thereby eliminating any fault codes that the OBD system produces.
OTR900	SCR Performance Module CE Tier 4i H-Engine CE900	OTR Performance, Inc 51619 Industrial Dr. Macomb, MI 48042		Volvo	All Models	2011-2015	Volvo D9H Tier4i	Off Road Diesel	The SCR Performance Module eliminates the need to replace the DOC / DPF / SCR filter. When the DPF / SCR system fails, the OBD system triggers a fault code and limits the power of the truck, depending on the soot level of the truck. This product operates by simulating a working DPF / SCR system, thereby eliminating any fault codes that the OBD system produces.
OTR5002	ECU Reprogramming Maxforce 13	Cedar and Sage Express Address Unknown		International	All Models	2010-2012	Maxforce 13 EPA10	Off Road Diesel Farm Truck Diesel On-Road Diesel	The ECU Reprogramming modifies the calibration of the ECU parameters to eliminate the operation of the EGR, DPF and SCR systems.
OTR5102	ECU Tune Cummins 07-09 ISX12 ISX15	Cedar and Sage Express Address Unknown		Volvo International Peterbilt Kenworth Western Star	All Models	2008-2010	Cummins ISX CM871 EPA07 Cummins ISM CM871 EPA07 Cummins ISB CM871 EPA07 Cummins ISL CM871 EPA07 Cummins ISC CM871 EPA07	Off Road Diesel Farm Truck Diesel On-Road Diesel	The ECU Reprogramming modifies the calibration of the ECU parameters to eliminate the operation of the EGR and DPF systems.
OTR5103	ECU Tune Cummins 10-12 ISX12 ISX15	Cedar and Sage Express Address Unknown		Volvo International Peterbilt Kenworth Western Star	All Models	2011-2013	Cummins ISX CM2250 EPA10 Cummins ISM CM2250 EPA10 Cummins ISB CM2250 EPA10 Cummins ISL CM2250 EPA10 Cummins ISC CM2250 EPA10	Off Road Diesel Farm Truck Diesel On-Road Diesel	The ECU Reprogramming modifies the calibration of the ECU parameters to eliminate the operation of the EGR, DPF and SCR systems.
